2008 Pinot Blanc

Momtazi Vineyard, McMinnville A.V.A.

Retail Price: \$17

TASTING NOTES

The 2008 Pinot Blanc is our second release, however, it is the first Demeter Certified Biodynamic® Wine in the Northwest! A Pale straw color. Aromatics of sweet jasmine fill the glass coupled with white peaches and hints of passion fruit. On the palate it displays bosc pears, green apples and pineapple flavors showing restraint. Bracing acidity and minerals finish the wine nicely. Enjoy!

WINEMAKER'S COMMENTS

Following harvest, 100% of the fruit was whole cluster pressed. The Pinot Blanc did not receive any SO₂ prior to fermentation in order to allow the expressiveness of the grapes to shine through. During primary fermentation, the Pinot Blanc was started with indigenous yeast and only added sulfur once fermentation was completed. This wine was produced entirely in stainless steel tanks and did not undergo malolactic fermentation. This wine was filtered prior bottling on March 3, 2009.

FRUIT SOURCE

The 2008 vintage marks the celebration of Momtazi Vineyard's 10th Year Anniversary! Our 2008 Pinot Blanc was hand selected from one of our oldest on the Momtazi Estate. These 10 year old vines are planted on basalt based marine sedimentary and volcanic soils, some of the oldest to be found in Oregon.

VINEYARD AND WINEMAKING PRINCIPLES

At Maysara Winery & Momtazi Vineyard, we are committed to capturing the complete expression of our land and conveying it to you through superior quality in every bottle. We practice only low-impact, holistic farming methods in our Demeter Certified Biodynamic® vineyard. We are confident these principles are the best way to capture the true essence of the soil in our fruit and ensure the health of our vines and the unique accent of our *terroir* for generations. This philosophy is carried into the cellar, where Demeter Certified Biodynamic® winemaking practices produce wines with intensity, sophistication and elegance while maintaining a purity of both fruit and earth.
