

2016 JAMSHEED PINOT NOIR

90 POINTS

Maysara's owners believe in holding vintages until wines are fully evolved rather than releasing them chronologically. So this is the current vintage as early as 2022. It's taking on sunset hues around the edges, and it's soft and smooth on the palate. To find a well stored well aged Pinot from this outstanding vintage at this price is rare indeed. Spicy strawberry fruit and leaf flavors, light tannins and firm acids keep it fresh and lively. - Paul Gregutt

Maysara Winery:
