

2020 THREE DEGREES PINOT NOIR

Approachable and well-structured, aromas of blackberry and dark cherry fruits waft out of the glass. The palate awakens the senses with a bold core of elegant red and black fruits, earthy undertones, juicy acidity, and youthful tannins.

Maysara Winery:
Family owned by the Momtazis, female led and made, 100% estate grown wines from the McMinnville AVA, and biodynamically farmed

Maysara believes in holding vintages until the wine is fully evolved, rather than releasing chronologically. Each vintage is unique and should mature on its own timeline.
